

**Speedy Berry**  
The *Berry* Corporation

## AN INTRODUCTION TO THE BERRY CORPORATION

### *Speedy Berry Australia Pty. Ltd*

Speedy Berry is an Australian family owned business and one of Australia's leading marketers, manufacturers and distributors Of the highest quality frozen fruit with a focus on quality. Our fresh frozen berries can be found in stores across the country and around the world.

Frozen Fruit: the sweet juicy mouth-watering flavor of fresh frozen fruit is complemented by their natural health benefits. Prized for their sweet, pungent flavours, frozen fruit are a good source of vitamin c, folic acid, fiber, potassium, calcium and iron. Frozen berries have one of the highest levels of antioxidants, natural substances that slow the aging process and guard against cancer and heart disease.

Here at Speedy Berry we maintain tight controls over every process from, processing, packing, size grading, x-ray and metal detection, visual inspection, packing and distribution. Our processing plant uses the most modern and effective technology to set the highest cleanliness and sanitation standards in the berry industry. SpeedyBerry is accredited with the following quality standards; SQF, HACCP, GMP Kosher, Halal.

Driven by the desire for excellence, Speedy Berry continually improving existing technology with innovative systems such as controlled atmosphere and rapid cooling systems. Our process is constantly being refined to reduce handling time.

These measures not only provide a safe product for the end user, they also reduce liability risk for our wholesalers and manufacturers. Our high standards ensure that customers will be delighted by the berries freshness, luscious color and succulent taste order after order.

Our objective at Speedy Berry is to supply our customers with frozen fruit at the highest level of quality, service and competitive prices.

Speedy Berry, deliver to the Sydney metropolitan area on a daily basis using our own freezer transport. SpeedyBerry has a dedicated sales force nationally and are currently exporting to destinations as far away as: Singapore, China, Phillipines, India.
